

Dads' Club Prayer

Our Father who art in heaven, hallowed be thy name. We gather today, Fathers of our daughters attending St. Francis Catholic High School, as The Dads' Club. We ask for your blessing and wisdom to make us the best Dads we can be. We also ask that you bless the Dads' Club and all its members so that we can achieve our goals of enhancing our relationship with our daughters. Please bless all our Father-Daughter events of fun, events of service to the Saint Francis community, and for the events of Spirituality.

Only through your grace do we exist as Fathers and only through your grace can we be great Fathers. We humbly request your grace and blessings in the name of your son, Jesus Christ. Amen.
